

# Invite your network by email

## Option 1

Adding a banner to your email signature is an effective way to promote your participation and reach a large part of your network every day.

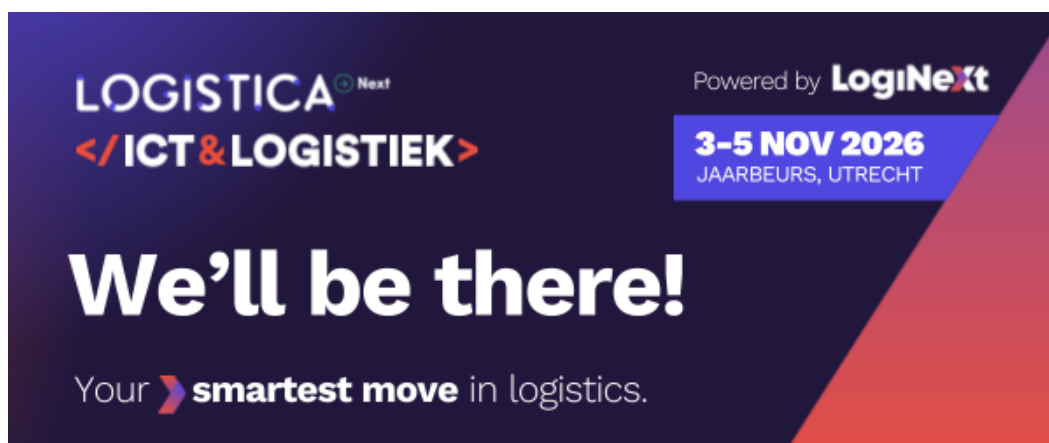

Simply link your unique registration URL (available in Visit) to the banner. This means you'll be promoting ICT&Logistiek and Logistica Next every time you send an email.

## Option 2

Send the banner below to your contacts and invite them to attend. You are welcome to use the suggested copy, or tailor the message to suit your audience.

## Suggested copy

From 3–5 November, we'll be exhibiting at ICT&Logistiek / Logistica Next. Join us to discover the latest developments in logistics and visit us at our stand. Register for free using the link below.  
[Insert your personal registration link from Visit here]

## Tip

Encourage your colleagues to add this banner to their own email signatures or include it in their email communications as well.
